Registration Information

- Name badges are required for admission to the educational sessions and the exhibit area.
- Although registration fees are waived for those over 65 years of age, for the spouses of paid attendees, and for students, these individuals must be registered to receive a name badge.
- Confirmations will be sent only to registered attendees who supply an email address. Name badges and other registration information will be available on site, as well as receipts for fees (if desired).
- No refunds will be issued unless cancellations are received by Friday, January 25, 2013.
- Because your advance registration assists us in planning for this event, a discounted rate is available to those who register in advance.

Tax Deduction

Costs for education required by your employer, by law, or by regulations to keep your present salary or job are tax deductible. You may also deduct the cost of maintaining or improving the skills that you must have in your present job.

Trade Show

A number of suppliers to the industry will be on hand with tabletop exhibits sharing the latest information about products and services of interest. Admission to the exhibit area is included with your registration.
